

Re-Route to ROUTE 31 CREDIT UNION

Starting September 6, there will be road construction on Terrace Street and members will need to use our Southwest driveway at our main office. Below is a map showing which route to take to avoid the construction.

If coming from Apple Avenue, take First Street NW to Morris Ave., turn right. Then turn left after Terrace Plaza. If coming from Shoreline Drive, take First Street SE to Morris Ave., turn left. Then turn left after Terrace Plaza.
