THE BEST WAY TO

WIN BIG

WHAT IS SAVE TO WIN?

Save to Win is a special savings product that offers credit union members an opportunity to win cash prizes — just for saving! The program offers a fun, innovative and exciting way to save, which empowers members to achieve financial success. Each \$25 you save into a Save To Win account, earns you an entry into the monthly, quarterly and/or annual drawings (where applicable). Not only will you build your savings and earn interest/ dividends, but you can also win multiple prizes throughout the year. Eligibility requirements and Official Rules apply.

HOW DO I OPEN AN ACCOUNT?

Speak to a credit union representative today to get started. To be eligible for the prize drawing, you must be at least 18 years old, a legal resident of a prize-linked savings state and a member of a participating credit union. Other eligibility requirements and Official Rules apply. Ask your representative for details.

HOW DO I EARN ENTRIES?

An account holder earns One (1) entry for every \$25 increase in the monthly balance of the Qualifying Save To Win account at month's end (month over month balance increase). The more you save, the more chances you receive to win! Max of 100 entries per month. Max 300 per quarter. Max 1200 per year (where applicable). Please refer to the credit union's account disclosures and the credit union's official account and prize entry rules for details.

WHAT ARE THE PRIZES?

The best prize is to see your savings grow with regular deposits each month. But to make saving even sweeter, hundreds of monthly prizes and several quarterly prizes will be awarded throughout the year. The eligible winners will be notified by the credit union via phone, email and/or mail. Please refer to the credit union's account disclosures and the credit union's official account and prize entry rules for details. The official account and prize entry rules and a complete list of prizes are also available at www.savetowin.org.

WHY OPEN A SAVE TO WIN ACCOUNT?

Because it's a no-risk and all-reward account. You have nothing to lose — and everything to win! Not everyone will win a cash prize, but with regular deposits you can watch your savings grow and be empowered to achieve financial success. You keep the money you save, earn interest/dividends, and earn chances to win big cash prizes. It's a Win-Win-Win opportunity!
