

Skip-A-Payment

Now you can skip a loan payment when the time is right for you, for just \$50.00! You can Skip ONE payment, per loan, per calendar year on eligible loans. Use the payment for holiday shopping, taxes, large purchases or just to catch up.

Here's how to skip your payment:

- Fill out the form below. All individuals who signed the original loan MUST sign the skip a pay form, this includes joint owners and/or co-signers.
- Loans must be open for 60 days, 1st payment must be made, and all accounts must be current and in good standing to qualify.
- Most closed end consumer loans are eligible. Loans that are NOT ELIGIBLE include: Mortgages, Home Equity, VISA, and Lines of Credit.
- When you skip a payment, your loan is extended by one month. This can increase the total interest you pay over the life of the loan. Interest will continue to accrue on your unpaid balance on a daily basis resulting in a greater amount of interest on your next scheduled payment to be applied.
- ❖ If you have Automatic Payment, we will suspend it for one month.
- Skip-a-Payments cannot be in consecutive months.
- We must receive the Signed Skip-A-Payment form & \$50 fee per loan **10 days before your due date**. If the form is not received at least 10 days before your payment, we may not be able to process your request.
