

The Switch is *Easy*

Just follow these four simple steps:

Relax! Route 31 Credit Union makes switching your accounts easy. We have a simple checklist to guide you through the process and we will provide a Member Experience Expert to walk you through it every step of the way.

1 Open Your Account

Open your new account with Route 31 Credit Union. You can do this online or by visiting either Route 31 Credit Union branch in person. You will need valid identification; for complete list reach out to a Member Experience Expert. Credit Union accepts driver's license, state ID, military ID, passport, or tribal ID. All accounts require their social security number. Youth accounts also require their social security card.

2 Change Direct Deposit

If you currently have your payroll being directly deposited into another financial institution, inform your employer's payroll department to update your account information. Use the Direct Deposit Authorization Form. To change Social Security deposits, visit: www.ssa.gov/deposit/howtosign.htm or call 1-800-772-1213.

3 Update Your Payments

Move automatic payments or withdrawals (loans, bills, etc.) to your new Route 31 CU account. We have an automatic payment checklist and worksheet to help make this easy. Our Member Experience Expert will be happy to help you with this.

4 Close Old Account

Once you are sure automatic withdrawals and checks have cleared your old accounts, you can fill out the Request to Close Account form and we will send it to your old financial institution letting them know where to send the final balance. We would be happy to shred your old checks for you.

Direct Deposit Authorization Form

Please complete this form and send or take it to the payroll department of your employer (your employer might have a separate form, but you can use the information on this form). If you receive direct deposits from other organizations (i.e. Social Security, Military, Pension, etc.) that you would like to move to Route 31 Credit Union, you should mail completed copies of this form to them as well.

This checklist is a tool to help you ensure that all current automatic or online bill payments will now be drawn from your new account with Route 31 CU, not your old account. You may have other payments not on this list; this is just a list of the most common automatic payments. We encourage you to review your last three bank statements to see all automatic payments that need to be switched over. Route 31 offers online bill payment which allows you to control when payments are made giving you peace of mind and added convenience.
