

Community Resources

At different points in life, we all need support. Our community offers a variety of resources designed to help individuals and families through challenging times. These local organizations are here to help.

United Way of the Lakeshore

What they help with:

United Way connects individuals and families to a wide range of local resources including food assistance, housing support, utility help, transportation, childcare resources, and more. They operate the 2-1-1 helpline for quick access to services.

 Dial **2-1-1** or **231-722-3134**
